ANGLE NAMED DIRECTOR OF ADVANCED SYSTEMS DEVELOPMENT FOR UNIGROUP, INC.

ST. LOUIS -- Brenda J. Angle has been named Director of Advanced Systems Development at UniGroup, Inc., the parent company of household goods movers United Van Lines and Mayflower Transit. The announcement was made by UniGroup President Richard H. McClure.

Angle has more than 19 years' experience in the IT field. In her new role, Angle will be responsible for planning and managing business application development activities for the UniGroup companies.

Prior to this appointment, Angle most recently served as Systems Product Director for UniGroup. Before that, she held the positions of Project Manager, Project Leader and Lead Application Developer in UniGroup's IT department.

Angle holds a bachelor's degree in business administration from Southern Illinois University at Edwardsville.

UniGroup, Inc., a \$2 billion transportation and relocation services company based in suburban St. Louis, Mo., operates one of the largest privately owned trucking fleets in the United States. It also owns other subsidiaries that provide goods and services to professional movers.
