MUSTANG MOVING & STORAGE TEAMS UP WITH THE AMERICAN LEGION TO DELIVER GOODS TO AFGHANISTAN

ST. LOUIS, July 16, 2003 – When a member of the American Legion was called back into activity duty in Afghanistan, he contacted his local post to report the distressing state of the land’s children and their need for clothing and shoes. Mustang Moving & Storage, San Luis Obispo, Calif., an agent of United Van Lines, stepped up to assist in the task by organizing the cross-country transportation from California to Fort Bragg, N.C. The shipment of more than 1,500 pounds of relief goods will then be flown by the Army into Afghanistan and given to those in need.

“We are very pleased to be part of the team providing assistance to the Afghanistan people,” said Wendy Nogle Scalise, a representative from Mustang who helped in organizing the transportation.

Mustang Moving has been an agent of United Van Lines since 1979. Affiliation with United, the nation’s largest household goods mover, enables Mustang Moving to offer a variety of transportation and relocation services, as well as a satellite-based system that regularly records a van’s location and transmits messages between the van operator and United headquarters personnel.

United Van Lines transports electronic equipment, trade show exhibits and displays, works of art, and specialized freight, in addition to household goods. United, with headquarters located in suburban St. Louis, maintains a network of 1,000 affiliated agencies in 135 countries around the world.
