UNIGROUP, INC. DONATES TRUCKS TO MARINE CORPS “ROLLING BILLBOARD” PROJECT

ST. LOUIS – UniGroup, Inc., the parent company of United Van Lines, Mayflower Transit, and other transportation-related companies, has donated the use of two trucks to the United States Marine Corps for its unique project that designs the trailers with colorful Marine Corps images creating a “rolling billboard.” UniGroup, Inc. is the first household goods carrier to take part in the project.

The Marine Corps Recruiting Command developed the public service message campaign and looked to UniGroup and other transportation companies to spread the USMC message.

Taking the message “on the road,” United Van Lines’ and Mayflower Transit’s trucks will crisscross the United States daily to spread the message to much larger audiences than other mediums could.

UniGroup, Inc. is one of the nation’s largest privately owned transportation companies. Its world headquarters offices are located in Fenton, Mo.
