A-MRAZEK MOVING SYSTEMS DONATES TRANSPORTATION SERVICE TO HABITAT FOR HUMANITY ST. LOUIS

ST. LOUIS, Dec. 31, 2003 – A-Mrazek Moving Systems, St. Louis, Mo., an agent of United Van Lines, the nation’s largest household goods transportation company, donated its moving services to a family who was recently part of a Habitat for Humanity building project, which was sponsored by UniGroup, Inc., Washington University and Wells Fargo.

A 48-foot truck was used to transport the eight-person family’s belongings from their old residence to their new one in Hillsdale, Mo. Each weekend since the end of September, hundreds of volunteers have worked along side the family in need to build the new home. Volunteers included employees from UniGroup, Inc., the parent company of United Van Lines, Mayflower Transit and other transportation-related companies.

“We are pleased to be able to help this family begin their life in their new home,” said David Sabada, president of A-Mrazek. “Moving into a new home is an exciting event in most people’s lives, and the smiles on the six children’s faces showed that excitement in abundance.”

A-Mrazek Donate Transportation to Habitat for Humanity – add one

In addition to being the country's best-known affordable-housing provider, Habitat for Humanity is one of the top homebuilders in the nation. Locally, Habitat has built more than 130 houses in the St. Louis area since its founding in 1986, putting it in the top 10 percent of affiliates in the United States. Families whose annual income is between \$12,075 and \$39,850 can apply for a new house.

United Van Lines transports electronic equipment, trade show exhibits and displays, works of art, and specialized freight, in addition to household goods. United, with headquarters located in suburban St. Louis, maintains a network of 1,000 affiliated agencies in 135 countries around the world. More information about United and its services can be obtained through the company's Web site at www.unitedvanlines.com.
