## **UNIGROUP GOLF TOURNAMENT RAISES MORE THAN \$11,000 FOR THE UNITED WAY**

ST. LOUIS -- UniGroup, Inc., the parent company of United Van Lines, Mayflower Transit, and other transportation-related companies, held the UniGroup Open, its second annual golf tournament, to benefit the United Way on Sept. 6, at the Wolf Hollow Golf Course.

With the support of 144 golfers, 12 volunteers, and donations from local businesses, the UniGroup Open Golf Tournament raised more than \$11,000 for the United Way of Greater St. Louis and the agencies it serves within the community. A silent auction and raffle were held on the day of the tournament to further raise funds.

"We are very pleased with the amount of money raised for the United Way," said Pat Larch, president of Transportation Services Group, a UniGroup company, and chairman of UniGroup's United Way effort. "The continued success of this event shows our community's commitment to the United Way and those it helps."

UniGroup, Inc. is one of the nation's largest privately owned transportation companies. Its world headquarters offices are located in Fenton, Mo.
