## **CAT AKLEY WINS UNIGROUP HOLIDAY CARD CONTEST**

*From the hands and mind of a child comes a special holiday image!*

ST. LOUIS – A holiday card created by Catherine Akley, age 7, daughter of UniGroup employee Steve Akley and his wife Amy of Oakville, Mo., was chosen as the winner for UniGroup, Inc.'s holiday card contest. The announcement was made by Richard H. McClure, president and chief operating officer of UniGroup, the parent company of United Van Lines, Mayflower Transit, and other transportation-related companies.

Cat Akley's card will be used as the company's corporate holiday card and will be sent to all employees, as well as vendors, agents and customers of the company.

This is the first year that UniGroup has invited the children of its employees to design its holiday card. The children were allowed to submit one drawing using any medium, such as crayons or markers, and were asked to illustrate what the holiday season means to them. More than 50 children submitted entries. The winning entry depicts a snowy, winter scene, including a snowman and pine tree.

UniGroup, Inc. is one of the nation's largest privately owned transportation companies. Its world headquarters offices are located in Fenton, Mo.
