WILLIAM B. MEYER, INC. DELIVERS MORE THAN TEN MILLION COOKIES FOR THE GIRL SCOUTS

St. Louis – William B. Meyer, Inc., an agent for United Van Lines, delivered more than ten million Girl Scout cookies to two locations in Southwestern Connecticut, Norwalk Community College and Danbury Fair Mall, on Jan. 7. The cookies were then picked up by Girls Scout “Cookie Managers” arriving in the largest vehicles they could maneuver.

William B. Meyer, Inc. was selected by the Girl Scout Council of Southwestern Connecticut to move the 400,000 pounds of tasty treats for the second year in a row.

“At William B. Meyer, we work as a team to make this type of delivery run as smoothly as possible,” said Chuck Mattes, executive vice president of William B. Meyer. “All areas of our organization are involved, from the truck drivers to the warehouse staff to the customer service professionals. The logistics are carefully thought out, so that our customers are completely satisfied. William B. Meyer, Inc., takes pride in knowing that our expertise will benefit such a wonderful association like the Girl Scouts and we are proud to be a part of it. It is very important to us to make a contribution to the community.”

“Working with the professionals at William B. Meyer has been delightful,” said Bella Casanova, director of business services for the Girl Scout Council of Southwestern Connecticut. “They have made this huge undertaking so much easier. I have nothing but praise for their efforts! The cookie sales are the programmatic and financial backbone of all of our programs and provide a tremendous learning process for the girls. This project enables us to accomplish our goals and support our programs throughout the year.”
