BEN JUDE APPOINTED DIRECTOR OF INSITE LOGISTICS A UNIGROUP WORLDWIDE COMPANY

ST. LOUIS -- Ben Jude has been named director of InSite Logistics for UniGroup Worldwide UTS, a global mobility management company. The announcement was made by Fred Parshley, director of General Commodity Freight Forwarding for UniGroup Worldwide UTS.

In his new capacity, Jude will be responsible for the management of InSite Logistics, which offers specialty third-party logistics services. InSite Logistics is a division of UniGroup Worldwide UTS and UniGroup, Inc, a \$2.3 billion international transportation and relocation services provider. InSite utilizes its network of 300 distribution companies located throughout the United States to coordinate commercial and home deliveries. InSite Logistics was founded in 1994, and is headquartered in Fenton, Mo., a suburb of St. Louis.

Jude has worked in the UniGroup system for more than nine years and brings experience in international logistics and specialized distribution to InSite Logistics. Most recently, he served as regional director of global business development for UniGroup Worldwide UTS' Freight Forwarding group. Prior to that he was director of logistics for McCollister's Transportation.

Jude holds a bachelor's degree from the Embry-Riddle Aeronautical University, Prescott, Ariz., and received his master's degree in international business from Lindenwood University, St. Louis.

UniGroup Worldwide is an operating company of UniGroup, Inc., a \$2.3 billion transportation and relocation services company. UniGroup Worldwide specializes in the coordination and handling of shipments of personal household goods and general commodities for corporate clients and the relocating public.
