*United Van Lines Awards Annual “Heart of Quality” Award*

An integral part of the moving process, it is the move coordinator’s role to serve as a single point of contact for the customer and all moving service providers throughout the entire **move**, so that the [relocation](#) experience is successful from the preparation through the final delivery stages. This award, added to the already existing Customer Choice Awards, continues the van line’s commitment to consistently delivering quality moving services to its customers.

United Van Lines, with headquarters in suburban St. Louis, is the nation’s largest household goods mover and maintains a network of 1,000 affiliated agencies in 135 countries. More information about United and its services can be obtained through the company’s Website at [www.unitedvanlines.com](http://www.unitedvanlines.com).
